OUR STORY

In 1973 Mike and Mary Vasquez acquired a small Mexican restaurant in Corona, California and renamed it "Miguel's" in honor of Mike's grandfather. With no experience, the two decided to make an attempt at the restaurant business. With four small children, they struggled to make a go of it. Mike kept his day job and worked in the restaurant at night while Mary developed dishes and recipes based on those from her childhood in Mexico. By 1975, business was improving so much they decided to open a fast food restaurant down the road and named it "Miguel's Jr". It was an instant success! Today there are three Miguel's Restaurants and ten Miguel's Jr Restaurants throughout the Inland Empire and Orange County.

What makes us unique is our fresh food from family recipes and our friendly people. It is our promise to deliver the freshest, best tasting California Mexican food each and every day. We know you have a lot of choices when it comes to restaurants, so thanks for choosing us.
