## OUR STORY

Everybody has a story. This is ours.

In 1973, Mike and Mary Vasquez founded Miguel's Restaurant in Corona, California. Mike was born in Arizona and raised in San Bernardino, California. By trade, he was a carpenter working on the construction of restaurants and private homes throughout Southern California. Mary was raised in Celaya, Guanajuato, Mexico and worked as a bookkeeper at a local restaurant for many years. Mike and Mary were married in 1964 and settled down in San Bernardino, California to begin their new life together.

The lives of the Vasquez family turned down a new path in 1973 when they unexpectedly became the owners of a restaurant in the sleepy town of Corona, California. They renamed it Miguel's in honor of Mike's grandfather, and decided to make an attempt at the restaurant business.

In 1974, before their last child was born, Mike and Mary moved the family from San Bernardino to Corona. By 1975, business was doing so well that they decided to open a fast food restaurant down the road, which they named Miguel's Jr. It was an instant success and since that time has become a favorite in the Inland Empire! Currently there are ten Miguel's Jr. locations. Four in the Corona-Norco area and one each in the cities of Riverside, Grand Terrace, Fontana, Ontario, Murrieta and Menifee. On August 10, 2004 Orange County got its first taste of the Corona legend with the opening of Miguel's California Mexican Cocina in Foothill Ranch.

With the next generation of Vasquez's ready to carry on the family tradition of delicious food and excellent service. Miguel's looks forward to many more years as a favorite with locals and new neighbors alike.
